DELAWARE PAINT COMPANY

Paint Pens

Single & Two Component

The ideal solution for quick, hassle-free touch-ups. Paint Pens provide precise control for covering scratches & scuffs without the waste of using brushes, rollers, or trays. This economical option reduces waste & callbacks.

Features:

- Private label options
- Removes over-mixing volumes
- Provides accurate filled ratios
- Can adapt to most ratios
- Minimum 6-month shelf life*
- Single component options
- Two component options

**Can be longer depending on paint.*

Benefits:

- Increased profit margin
- Labor saving from mixing
- Reduce waste
- Efficiency of application
- Precision control
- Great for small spots
- Easy storage & inventory control
- Reduces call-backs on high value items
